A private consultation or service room was installed on a mezzanine that overlooks the main banking room. When it is completed it will have chairs, writing table, typewriter and other equipment for use of the businessmen and farmers in the trade territory who have a transaction to make in private.

In explaining the new layout, Mr. Brunson said it was arranged to give better service to the bank's customers. He said the Elba Exchange Bank has facilities that will compare favorably with any other bank in a town of comparable size.

HALF BALE TO ACRE
At the Jaycee meeting Tuesday night, Robert Stephens, holder of a large farming tract in Damascus community, and Fred Clark, veterans vocational agriculture head, were talking about the cotton crop. As a typical example of how the yield was coming, they told of a farmer near Fairview who had 32 acres in cotton. He had fertilized heavily in the spring and dusted with poison several times. His yield was expected to be in the neighborhood of 10-12 bales. The two weeks of rain in July bolls have out the yield in just about half in some of the best farm land in the county, Fred Clark said.

THE BIBLE SPEAKS

BY DR. KENNETH J. FOREMAN

Scriptures: Colossians 1:1-2:7, Revelation: Chapter 17, 18, 19

Christ Above All

Lesson for August 16, 1933

Christ Pre-eminent

It ought to go without saying that Christ is pre-eminent, that is to say, above all, for the Christian. It does not go without saying, because Christians incline to forget it, or more exactly, they forget him. Paul uses the word "pre-eminent" only once in Colossians 1, but he uses many other ways of declaring that Christ is above all. In Christ we have forgiveness of sins; in him the fullness of God dwells; he is the head of the church; the Christian has been transferred to Christ's Kingdom; through Christ all men may be reconciled to one another; in Christ we find all the treasures of wisdom and knowledge; the Christian is to be "filled with the knowledge of his will." The Christian receives him, is rooted in him, built up in him, grows to maturity in him; he is the Christian's hope of glory. All this is "in the book"; but is it in life? Does Christ actually loom as large in the life of Christians as he does in the plan of God.

You Received Christ

Speaking of the way the Christian life begins, Paul says, "You received Christ." That is what ought to happen at the very start. If it does not happen, there is no real start. What do we receive at the beginning of the Christian life? A certificate of church membership? Water? The Communion bread and wine? A name like "Methodist" or "Baptist" or "Lutheran"? Even a name like "Christian"? Now, it is true that the Christian life begins with an "I will." There is a voluntary determination, a hope and intention. But unless there is a receiving, all the hopes and intentions go for nothing.

So Live in Him

Paul says the Christian is "rooted" in Christ (as if we were plants) and "built up" in him or on him (as if we were brick walls). He puts these two together when he says "Live in him." If we are like plants "rooted" in Christ, that means he is to us what the soil is to a plant. All our spiritual life comes from him. Not from a book, from a creed, from a set of ideas, least of all from our own thin selves; but from Christ, in whom is "all the fullness of God." Again, if we are "built" on him, that means he sets the line of our lives. Just as a wall cannot lean one way or the other off its foundation, and still stand, so our lives either follow the line that Christ has set, or they collapse.

Mature in Christ

Christ is not only the ground and foundation, he is the goal of life for the Christian. Are we walls? He is the blueprint. Are we plants? He is a perfect specimen. Paul wants every Christian—not a few selected saints!—to be "mature in Christ." (The older translation "perfect" is misleading, since the Greek word means mature, not perfect nor sinless.) Why is it we are so easily self-satisfied? Why are so many Christians midgets, permanent babies, in mind and spirit and character, when they ought to be growing up? Once there was a baby whose parents lived at some distance from other families with small children. For more than a year they thought their baby was doing very well. Then they visited another family where there was a normal baby, the same age as their own. For the first time, they realized their own child had not grown as it should. So we Christians compare ourselves with ourselves, or with other imperfect Christians, and we are foolishly content.

Christ Above All

Lesson for August 16, 1933

Christ Pre-eminent

It ought to go without saying that Christ is pre-eminent, that is to say, above all, for the Christian. It does not go without saying, because Christians incline to forget it, or more exactly, they forget him. Paul uses the word "pre-eminent" only once in Colossians 1, but he uses many other ways of declaring that Christ is above all. In Christ we have forgiveness of sins; in him the fullness of God dwells; he is the head of the church; the Christian has been transferred to Christ's Kingdom; through Christ all men may be reconciled to one another; in Christ we find all the treasures of wisdom and knowledge; the Christian is to be "filled with the knowledge of his will." The Christian receives him, is rooted in him, built up in him, grows to maturity in him; he is the Christian's hope of glory. All this is "in the book"; but is it in life? Does Christ actually loom as large in the life of Christians as he does in the plan of God.

You Received Christ

Speaking of the way the Christian life begins, Paul says, "You received Christ." That is what ought to happen at the very start. If it does not happen, there is no real start. What do we receive at the beginning of the Christian life? A certificate of church membership? Water? The Communion bread and wine? A name like "Methodist" or "Baptist" or "Lutheran"? Even a name like "Christian"? Now, it is true that the Christian life begins with an "I will." There is a voluntary determination, a hope and intention. But unless there is a receiving, all the hopes and intentions go for nothing.

So Live in Him

Paul says the Christian is "rooted" in Christ (as if we were plants) and "built up" in him or on him (as if we were brick walls). He puts these two together when he says "Live in him." If we are like plants "rooted" in Christ, that means he is to us what the soil is to a plant. All our spiritual life comes from him. Not from a book, from a creed, from a set of ideas, least of all from our own thin selves; but from Christ, in whom is "all the fullness of God." Again, if we are "built" on him, that means he sets the line of our lives. Just as a wall cannot lean one way or the other off its foundation, and still stand, so our lives either follow the line that Christ has set, or they collapse.

Mature in Christ

Christ is not only the ground and foundation, he is the goal of life for the Christian. Are we walls? He is the blueprint. Are we plants? He is a perfect specimen. Paul wants every Christian—not a few selected saints!—to be "mature in Christ." (The older translation "perfect" is misleading, since the Greek word means mature, not perfect nor sinless.) Why is it we are so easily self-satisfied? Why are so many Christians midgets, permanent babies, in mind and spirit and character, when they ought to be growing up? Once there was a baby whose parents lived at some distance from other families with small children. For more than a year they thought their baby was doing very well. Then they visited another family where there was a normal baby, the same age as their own. For the first time, they realized their own child had not grown as it should. So we Christians compare ourselves with ourselves, or with other imperfect Christians, and we are foolishly content.
